The SnackPoint - a stylish, durable, energy efficient choice for all your snack and cold beverage needs

# SnackPoint

Saves energy, stays cool!

Winter 2012

Quattro

Quinto

Duo M

Duo L

The SnackPoint is the ultimate in low energy, solid, reliable and versatile vending

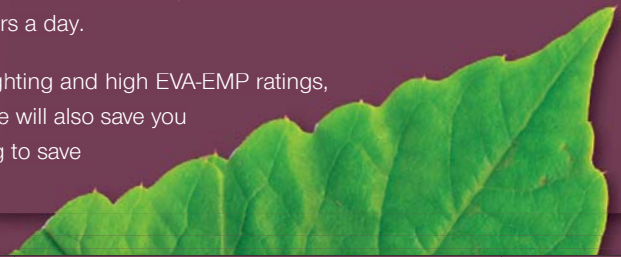

Features - Quattro / Quinto / Duo M / Duo L

- Cool single or dual temperature zones for product versatility
- Large LCD graphics display 240 x 128 pixels on Duo models
- Large glass panel - perfect for grab and go snacking
- Durable cabinet with programmable security lock\*
- Lightweight product shelves, two-piece door design and tilted upper trays for easy loading
- Near-silent slide-out refrigeration unit, accessible from the front of the machine
- Health control for fresh food and perishables on Duo models
- Power LED lighting for attractive merchandising – no more fluorescent light tubes to replace!
- All features can be set up using a programmable key. All data on sales and cash is downloadable using the same key
- A+ and A++ energy efficiency rating – low energy operating costs
- Designed to bank seamlessly with the Snackpoint Easy 6000

\* Optional accessory

The SnackPoint - five models ranging from the single temperature Quattro and Quinto to the dual temperature Duo M, Duo L and Trio. The numerous spiral combinations for snacks, confectionery, food, cans and bottles cater for almost any location - 24 hours a day.

With modern LED lighting and high EVA-EMP ratings, the SnackPoint range will also save you money whilst helping to save the environment!
